

COSGROVE AIRCRAFT SERVICE, INC.

Cosgrove Aircraft Service is now a proud distributor of the Grypmat®!

Have you ever set a tool on your wing? Do you have an FOD program? Get a Grypmat!

- Most cost-effective FOD program
- Reduces maintenance time and FOD
- Nonmagnetic and grips to any surface
- Protects the aircraft's surface
- Increases productivity by keeping tools organized, easily accessible, and right where you left them
- Easy to clean—just use soap and water

**The Grypmat saves time *and* money.
Order your Grypmat today!**
